WORK EXPERIENCE IN LOSS ADJUSTING

- Govinder is the Chairman of Proclaim Surveyors & Loss Adjusters and is currently one of the leading loss adjusting names in the country. He was one of the first few to have handled commercial and financial lines liability claims in India and remains a brand name in himself within the country.
- He has handled major fire, engineering and project claims, with extensive experience in infrastructure claims, including thermal and hydro-electric power plants involving extensive tunneling, refineries and advance loss of profits.
- He also has considerable exposure to international claims on behalf of Reinsurers.

WORK EXPERIENCE OTHER THAN LOSS ADJUSTING

- Loss Adjuster for General Insurance Industry (1982 to date).
- East India Hotels Ltd., 1 year as chief Engineer of Hotel and 2 years as Manager – Projects (1980-82).
- The Shipping Corporation of India Ltd., as Engineer, including 3 years as Chief engineer (1970-1979)
